**Tuition Rates** - The first child rate is ALWAYS determined with the greatest amount being first. The second and third child rates only apply if you have more than one child in the same division (K3-K5, Grades 1-5, Grades 6-8, Grades 9-12). If you have a child in each division, each child is considered the first child, so the first child rate will be charged.

**Delinquent Payment Fee** - Any account with a balance as of 4:30 p.m. on the 15th of a payment month is charged a \$60 delinquent payment fee. If two occurrences of returned payments are received within the school year, all remaining payments for the school year must be made in the Finance Office by cashier's check or money order. **Paying electronically will no longer be an option.**
